

Controlled Substance Abuse in New Mexico

Perspectives and Approaches in the Clinic and Community

5.5 hours of CME*

Approved by the NM Medical Board to meet five [5] hours of pain management education requirements and accredited for CME December 2014 through November 2019.*

- Produced by New Mexico Medical Society [NMMS]. Perspectives covered on this DVD set include those from a family, the legal and court system, the Drug Enforcement Administration, sleep medicine, and the Governor's Council on Controlled Substance Abuse. Approaches to addressing the problem include the use of Naloxone and Suboxone, the Prescription Monitoring Program, the "Therapeutic No", the Monitored Treatment Program, and pharmaceutical treatment of chronic pain.
- DVD/CD set can be shared with colleagues and office staff; includes instructions on how to obtain CME credit.
